

Introducing Bubba Brown our Nigger Boy!

Our nigger boy Bubba has been quite upset lately. He's scared shitless that we might replace him with some other bigger, stronger and dumber nigger.

We have tried to assure the chimp that we aren't planning to sell our favorite genetic-inferior sub human. Bubba is the best damned outhouse cleaner in town. (actually the only outhouse cleaner in town) He likes to work in shit because it looks and smells just like he does.

When Bubba's smell gets real nasty we have hose the boy down. But A fire-hose doesn't always remove the stench of a nigger covered in thick layers of shit. That's when we run the slave through a car wash a couple of times, best damned nigger cleaner invented.

Bubba has been a good nigger and as long as he keeps slinging shit for the Skins we will keep the monkey alive. But bubba knows better to cross us or he will be swinging from A special tree. We keep a noose tied up and ready to go, just in case Bubba decided to be a bad nigger.

Our incentive program has worked well for ape management:

Good Nigger = watermelon. Bad Nigger = the rope.

On the very few times the nigger actually cleaned himself we then let him play with the basketball. Wow! that was one happy nigger!

Don't take our word for it:

Listen to Bubba in his own words about his happy life:

Bubba Brown Update:

Our nigger Boy Bubba was recently caught trying to molest a 13 yr old white girl.

The boy was yelling and screaming: "I's be good nagger boy masster!" as we hauled his filthy ape carcass up to the special tree reserved for our slave monkeyman.

The boy had comitted the unforgivable sin so we dispensed Skinhead justice.

It's back to the slave auction to find a new apeican-american.

We sincerely apolgzied to Julie, bubba's almost victim and then we bought her several cases of Nig-away!
