Our Talmud tells us "When you go to war, do not go as the first but as the last, so that you may return as the first".

Why should we, the only truly international people, be concerned with the mutable interests of stupid Goyim nations? We must do everything in our power to help the great President who has helped us so greatly in establishing control. Support the draft law when it is presented to the American people. Support England and France, for they are fighting Judah's greatest enemy, the Goyim German state.

You are urged to support United States participation in this Holy War of Judah, without reservation and without fear. We can repeat our triumphs of 1918 if we maintain our united front, and the dumb Goyim will fight while we profit, with the aid of our friend in Washington.

Powerful Jews will be on all Draft Boards, and Jewish physicians will protect you from military service. Arrangements are already made to exempt you, in case religious exemption cannot be prepared in time.

You are warned to renounce, abjure, repudiate and deny any of this information if questioned by Gentiles, even under oath, as outlined in the Talmud, and justified for the preservation of our race.
