Issue #3

Who Is Mr. King?

Today, we live in a very sick world. Wrong is right, right is wrong. Natural Law is considered "racist", and the resistance to racial miscegenation is considered "evil."

However, those many of those who are considered "heroes" in our society, are really the most vile, degenerate, and corrupt peoples that walk this planet. They are the people demanding racial miscegenation (racial suicide), they are the anti-Christ.

A great example of a national "hero" is Martin Luther King Jr. He is, without a doubt considered a national icon. Any talk portraying him in a negative light is quickly and swiftly dismissed as "racist." It doesn't matter if what is pointed out is true, it is still something the Jews do not want widely known. To the Jews and the lemmings that work with them, the facts do not matter.

To prove to you how degenerate MLK Jr. really was, and how many facts are "overlooked", here are a few examples:

1. MLK Jr. was a sexual deviant. "That night King retired to his room at the Willard Hotel. There FBI bugs reportedly picked up 14 hours of party chatter, the clinking of glasses, and the sounds of illicit sex - including King's cries of "I'm ****ing for God" and "I'm not a Negro tonight!" He was

known to hire prostitutes (frequently white) and abuse them.

2. The first public speech that King gave at a Baptist church, was a plagiarized sermon from Harry Emerson Fosdick, a Protestant clergyman. However, this is not the only time King plagiarized speeches, essays, and term papers.

3. King's first book "Stride Toward Freedom" was copied from various sources. Line after line was an exact copy of previous writers.

4. When King entered Boston University, he wrote "Contemporary Continental Theology," which had many lines copied from Edgar S. Brightman, who wrote "The Finding of God."

5. Martin Luther King Jr. isn't even his real name! His original name was "Michael King" and his father re-named him after the German protestant Martin Luther King. Although his name was "changed" it is still, legally "Michael King."

6. Martin Luther King used money from his "civil rights movement" to buy liquor, and prostitutes. He stayed with prostitutes for literally days.

7. MLK Jr. was a communist supporter, and had ties with Jewish Communists during the "civil rights movement." King attended the "Highlander Folk School", which was a Communist training ground. Many years there after,

Communists supplied funds and other resources to King and his movement.

8. Communists helped to organize rallies, marches, and other demonstrations all over the U.S., even in Washington D.C.

9. King even admitted he was a Communist. "...we have moved into a new era, which must be an era of revolution.... The whole structure of American life must be changed.... We are engaged in the class struggle."

So, what we have here is a sexual degenerate, a communist collaborator, a liar, a thief, and a cheat. And these are the type of people that we honor in this nation? What next?
